

Discover Science in the Heart of Tradition

Kyoto University Amgen Scholars Program 2026

Spend an inspiring summer in Kyoto - where cutting-edge research meets a thousand years of cultural heritage.

Kyoto University

Program Period

June 5 to August 6, 2026

Number of Participants

Approximately 10 students from colleges & universities through Asia

Program Overview

The Amgen Scholars Program, supported by the Amgen Foundation, offers undergraduates in science a unique chance to participate in cutting-edge research at leading global institutions. As a host university, Kyoto University anchors the program in its core values of **academic freedom and independent thinking**. You will engage in immersive, hands-on research and present your findings at a symposium – an experience that will profoundly enhance your future career.
