Dear Sir or Madam,

With your institute being a partner university of the University of Passau, Germany, we would kindly like to ask you to share the following calls for **Research-in-Residence Fellowships** and **Research Event Funding** with relevant faculties or units at your institution.

The programmes invite applications from both internationally established researchers as well as from young researchers at the postdoctoral level, who engage in research in the humanities, social sciences, economics, law, computer science, and mathematics.

Please find attached the calls for the research-in-residence fellowships and scientific event funding in addition to the respective guidelines for application.

Our flyer with general information on the Passau International Centre for Advanced Interdisciplinary Studies (PICAIS), which is launching the calls, can be downloaded [here](#).

Yours sincerely,

Dr. Stefanie Meister
